

# The Permafrost Young Researchers Network

## The Next Generation of Permafrost ECRs

Helena Bergstedt on behalf of ExCom

### What is PYRN?

- PYRN is an international network supported by the International Permafrost Association (IPA)
- PYRN fosters innovative collaboration and seeks to promote future generations of researchers
- PYRN provides a common forum and supports activities to Young Permafrost Researchers in science and engineering
- PYRN is a self-organized network and structured as follow:

PYRN Executive Committee						
Helena Bergstedt President	Jannik Martens Xianbing Kong Vice-President	Isabel Prater Secretary Samuel Gagnon Treasurer	Huw Mithan Council/ NR-Coordinator	Denis Frolov Webmaster Samuel Weber APECS	Han Li ICOP Dmitry Nekrasov Newsletter	Evan Wilcox Matthias Winkel Social Media Julien Fouche
PYRN Council						
Simon Dumais Joanne Heslop	Aleksey Maslakov Florence Magnin	Alevtina Evgrafova Casey Beel	Ryley Beddoe Michel Paquette	Louis-Philippe Roy Daniel J. Vecellio	Sebastián Felipe Ruiz Pereira Alfonso Pisabarro	

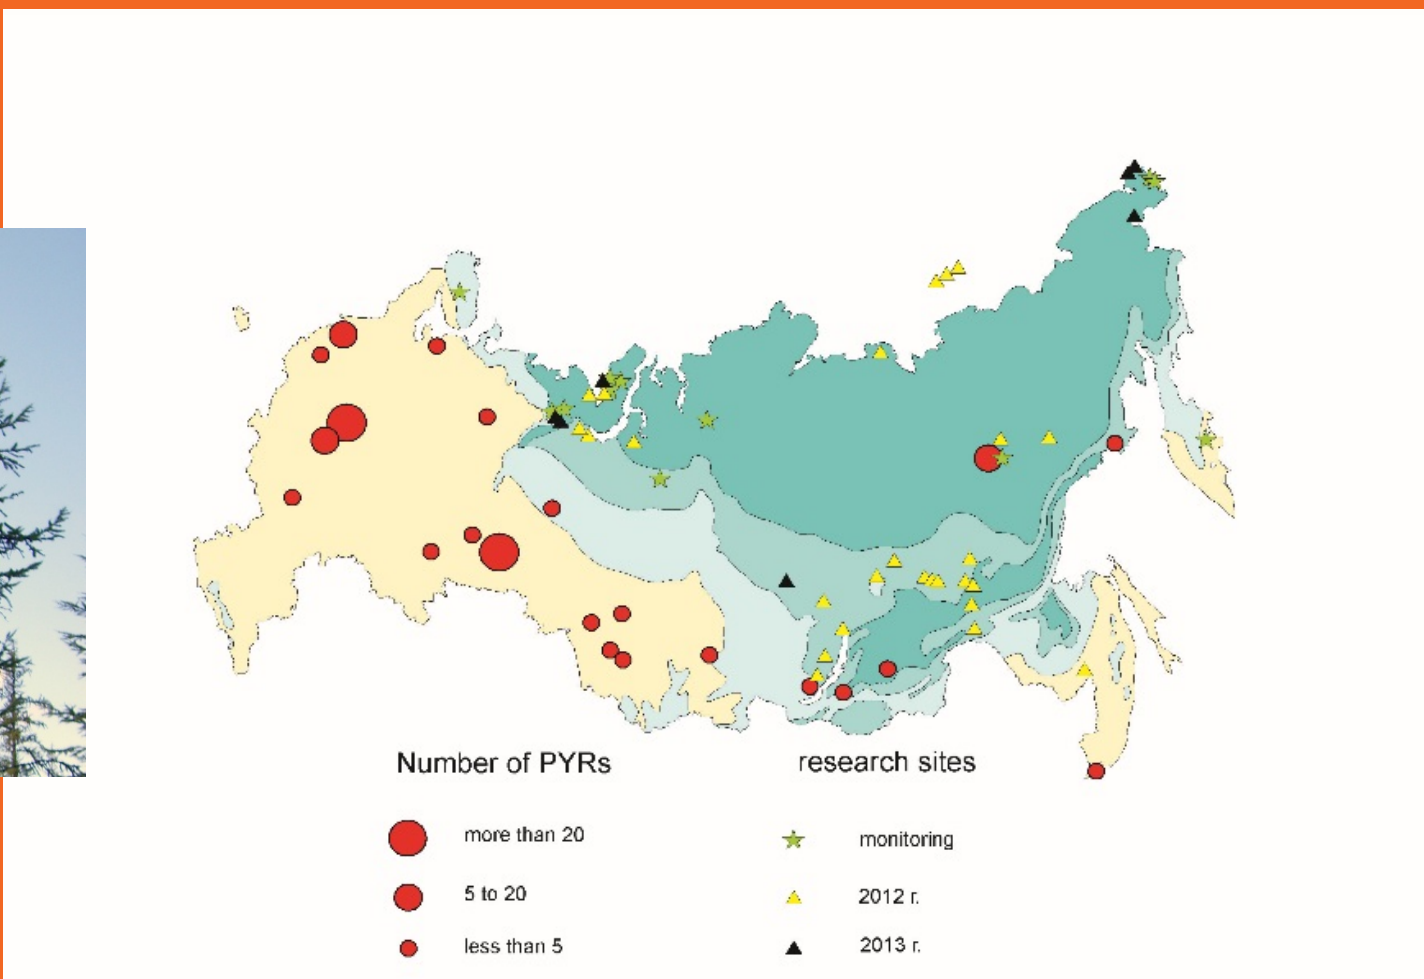

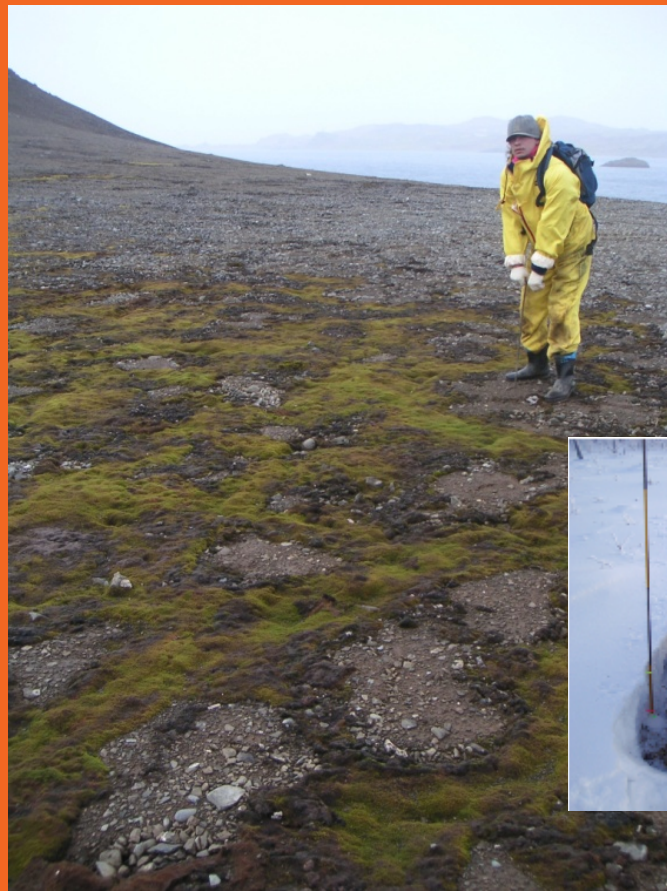

Members  
0 - 10  
11 - 50  
51 - 100  
101 - 150  
>151

**PYRN membership is free!**

### PYRN Russia

- was founded in 2008
- is the largest regional branch within PYRN:
  - with around 300 young researchers
  - from 50 institutions
  - from 20+ cities

- organizes regular meetings (lectures, seminars, fieldwork results, etc.) with streaming on Instagram!
- spreads the word via social media
- maintains electronic library of permafrost related books and articles

### Main activities since summer 2018

### What's next?

- **27th IUGG General Assembly**  
July 8-18, 2019, Montréal, Canada
- **SouthCOP**  
December 4-14, 2019, Queenstown, New Zealand
- **12th International Conference on Permafrost**  
June 22-26, 2020, Lanzhou, China
